General improvements, such as small home additions, alterations and carpeting, fences and landscaping, and kitchen, bathroom and closet remodeling, may be considered for financing as well, if all priority home maintenance items are in good condition or have been previously renovated. Swimming pools and recreational facilities are considered luxury items and are not eligible for a MHRP-SF loan.

This program also provides HC Housing with the opportunity to assist eligible homeowners in securing low interest loans that cannot exceed 110% of the property's value and with an interest rate of 4.5%. Loan amounts are based upon the owner-occupants ability to repay the loan.

## Avoid Healthcare Scams!

The Howard County Department of Citizen Services is warning both Medicare recipients and residents who qualify for health coverage through the new health care exchanges of misleading and sometimes illegal offers of help that are cropping up in Howard County. The Department has already received several reports of misleading and illegal conduct related to both Medicare open enrollment and enrollment for health coverage under the federal Affordable Care Act.

The Office on Aging's "Avoiding Medicare Scams and Frauds" fact sheet, available at [www.howardcountymd.gov/avoidmedicarefraud.htm](http://www.howardcountymd.gov/avoidmedicarefraud.htm), provides info on this and other Medicare provisions designed to protect consumers from misleading sales practices. Consumers can also call the County's State Health Insurance Assistance Program (SHIP) office at **410-313-7392** to report suspicious health insurance offers and/or to receive free and unbiased help in deciding what, if any, supplemental insurance programs are right for them.

In addition, the County's Office of Consumer Affairs recently received an e-mail from an insurance agent offering to help people "obtain affordable health insurance." This e-mail, however, implied that unless consumers sign up for coverage by January 1, 2014 they will be charged a penalty. In fact, penalties will not be assessed until the end of the enrollment period on March 31, 2014. Certified navigators are prohibited from charging for their services and from offering private insurance products while helping clients enroll with an exchange.
